

INVESTMENT MANAGER

Required by the Co-operative Superannuation Society Pension Plan, located in Saskatoon, Saskatchewan. Employing six external investment managers, this defined contribution pension plan has more than \$3 billion under administration.

Reporting to the General Manager, the Investment Manager will be responsible for the development and maintenance of the Plan's investment policy. He/she will monitor the Plan's external investment managers to ensure compliance with the Plan's investment policy and report on their performance. He/she will supervise the Plan's investment accounting and record keeping, providing financial analysis relating to the performance of the Plan's investments and the funding of the Plan's pensions.

The successful candidate will be a Commerce graduate with a major in finance and five years work experience, or equivalent qualifications through a combination of post-secondary education and related employment. Excellent written and oral communication skills are essential. Applicants must be enrolled, or be willing to become enrolled as a candidate in the Chartered Financial Analyst (CFA) Program offered by the CFA Institute.
