

Manager/ Senior Manager, Corporate Finance - Calgary

Do you want to be part of a dynamic team? You can make an impact by joining Corporate Finance at KPMG.

THE OPPORTUNITY:

We are seeking a senior professional to work in our Business Valuation practice. Our project mix includes a large share of audit support (purchase price allocations, goodwill impairment, and financial instruments) both in a review capacity for our clients and assisting non-clients. We also have a reasonable mix of other work consisting of tax-related valuations, transaction advisory, litigation support and financial modeling.

THE LIFE:

- KPMG offers a variety of comprehensive benefit packages in order to meet the diverse needs of our members - at varying stages of their lives.
- The firm provides various "People Matters" programs including personal care time, fitness reimbursement, concierge service, and back up care for family members to help firm members improve the balance in their lives and enhance their knowledge or skills.
- Eligible firm members receive an annual bonus, based on firm, team and individual success.
- As a firm, we are committed to the individual growth of our members and provide support through semi-annual performance reviews.

THE SKILLS & BEHAVIOURS:

A successful candidate will possess the following skills and behaviours:

- In addition to an accounting designation, the successful candidate will have five or more years of work experience, including a minimum of two years experience with business valuations and/ or related work.
- The CBV designation would be an asset, otherwise enrolment and the eventual completion of the CBV program and designation will be expected.
- The CFA designation would be an asset.
- Direct experience in the above areas is desirable, but not essential.
- Knowledge in the oil and gas sector is also an asset.
- We will offer any necessary training to the successful candidate.
- Salary will be competitive and based on the qualifications and experience of the candidate.
