Employment Opportunity

Manager, Corporate Finance

One Permanent Position

Location: Calgary, AB (EPCOR Place)

EPCOR Utilities Inc. currently has an opportunity for a Corporate Finance professional to complement our Treasury team in financing the continuing prudent growth of our Power and Water businesses. Located in Calgary, your responsibilities will include identification and analysis of financing needs and assisting in the negotiation and administration of financing arrangements (including compliance reporting). As an integral part of our Treasury team, you will prepare annual and transactional securities filings, rating agency presentations, and provide financing advice to our Executive Management, Strategic Planning and Business Development teams, as well as operational groups. You will assist both in the negotiation of capital markets and bank financings and in the formulation and monitoring of strategies for managing foreign exchange and interest rate exposures for the EPCOR group of companies. You will develop and maintain relationships with EPCOR's external stakeholders such as banks, rating agencies, debt holders, preferred shareholders, and unit holders.

The successful candidate will be an energetic and dynamic self starter with proven leadership skills and 3 to 5 years experience in the corporate finance function of a major national/international company or financial institution. You must be familiar with Canadian securities requirements for continuous disclosure and have achieved demonstrable success negotiating various forms of financing. The ability to derive solutions to problems from incomplete information using professional and business judgment will be a key to success in this position. You will hold a Bachelor of Commerce degree and/or an MBA, ideally combined with either a CFA or professional accounting designation.

EPCOR is an Equal Opportunity Employer. Positions are filled by means of open competition where the selection is based on job-related skills, training, experience, suitability and where appropriate seniority.

EPCOR retains resumes/applications for a period of six months following the closing of any competition. Your resume/application may be considered for other vacancies. If you do not wish your application to be retained and used for that purpose, please indicate your preference on your application

Our preferred method of receiving your resume is by on-line application at www.epcor.ca for this opportunity. If you forward your resume by other means, please include a subject line that references the posting number.
