

The Impact of LNG on North American Natural Gas Markets

PRESENTED BY: **Calgary CFA Society**

FEATURING: **W.P. (Bill) Gwozd, P.Eng., Vice President, Gas Services
Ziff Energy Group**

To understand the impact of LNG on North American gas markets, this presentation will:

- explain where and when existing gas supply will start to decline by 2015
- illustrate the growth of gas markets by regions and by sector to 2015
- highlight existing world LNG and the delivered cost to North America
- present a forecast of LNG growth to 2015
- summarize the impact that LNG will have on North American gas markets.

Mr. Gwozd has over three decades of natural gas experience. A long time native Calgarian, he holds a Chemical Engineering degree from the University of Calgary in 1979 and a Chemical Engineering Technology diploma from SAIT in 1976. As a leading gas specialist, he presents to hundreds of private clients across North America. Mr. Gwozd is a frequent guest contributor to various TV stations, radio talk shows, newspapers, and magazines.
