

CAREER OPPORTUNITY

Senior Manager, Fund Management Group

Our people are a big part of our success, and we're looking for the next great addition to our team. Alberta Investment Management Corporation's Fund Management Group is looking for a client-focused individual to contribute to the value added at the total fund level.

Alberta Investment Management Corporation (AIMCo) is one of Canada's largest investment management organizations with more than \$70 billion of assets under management. Reporting to the Director of the Fund Management Group, this position offers the opportunity to use your knowledge of finance, statistics, economics, portfolio theory and portfolio management to recommend and design investment decision analysis systems and control processes for AIMCo, for the general management of client funds such as, reporting requirements, inquiries, rebalancing, documentation and investment performance, and for client focused investment research. Your ability to work independently and within a team environment will ensure your success in this position.

Qualifications: Related University degree such as Commerce, Business or Economics combined with 5 to 10 years of relevant experience in the investment industry including investment policy formulation. It is required that the individual have in-depth knowledge of financial software and analytics packages, as well as standard software applications and programming experience. A CFA or a relevant master's level designation is desirable. Equivalencies will be considered.

NOTE: Final candidates will be asked to undergo a security screening. Candidates not meeting the full qualifications may be considered at a lower level. This competition may also be used to fill future vacancies.

Salary: AIMCo offers a competitive compensation package including an annual performance-based bonus.

Closing date: June 17, 2008

Competition No.: 049443
