

Portfolio Manager, Equities Alberta Teachers' Retirement Fund Board

The Alberta Teachers' Retirement Fund Board (ATRF) provides retirement income services from its Edmonton based office for all Alberta teachers. We are looking for a Portfolio Manager, Equities to join our dynamic, team oriented investment department.

Reporting to the Chief Investment Officer, the Portfolio Manager, Equities is responsible for the management of ATRF's internal Canadian equity portfolio. The Portfolio Manager, Equities plans and directs the operation of a small internal equity team with the long-term objective of outperforming the benchmark while maintaining an acceptable risk profile. As a senior member of ATRF's investment management team, the Portfolio Manager, Equities participates in formulating total fund investment strategy and contributes to the asset allocation process.

Excellent analytical, management and communication skills are key requirements in support of both investment decision making and reporting to management, the Investment Committee and Board. The successful candidate will bring to ATRF a strong understanding of global capital markets, as well as a minimum of five years of experience in managing Canadian equity portfolios. A university degree in finance or economics, along with the Chartered Financial Analyst designation, is required.

ATRF offers a competitive salary with eligibility for a bonus based on investment performance, a comprehensive benefits program and an excellent working environment.

Competition closes Friday, June 13, 2008. Submit resume and cover letter to:
